

# KIDS FOR KIDS FOUNDATION

Kids are the Root of Our Community – Family is the Heart.

## OUR MISSION

Kids for Kids Foundation is a community of friends, families, and colleagues raising money for organizations that support children and families struggling with medical challenges. Established in 2008, our family-focused events celebrate all that we have to be grateful for and serve to inspire the next generation of humanitarians – our children.

## OUR VISION

We envision a time when all children struggling with health challenges can have a better future and a chance at life.

And we strive to instill in our youth the importance of helping others, no matter your age.

## OUR YOUTH Kids for Kids Junior Committee

Teaching young children the importance of giving back during the early stages of their lives is what inspired the formation of the Kids for Kids Junior Committee back in 2012.

We aim to build the next generation of leaders in their respective communities by connecting them with other kids, cultivating relationships and inspiring their peers to become a part of something impactful and meaningful. This group works together with an entrepreneurial spirit to create events that bring awareness to the core mission of the foundation.

## BENEFICIARIES

When a child becomes sick or struggles with health issues, it impacts the entire family unit, turning all of their lives upside down. That is why we focus on supporting organizations that serve both children and their families.

## GET INVOLVED

### JOIN OUR COMMITTEE

The Kids for Kids Foundation Committee is made up of friends, family, and colleagues who organize and support family-oriented as well as professional networking fundraising events. Many of our Committee Members contribute their knowledge, resources and talent to further develop our fundraising programs and organize their own community events. We are eager to talk with you about your ideas.

### VOLUNTEER

Volunteering at one of our events is a great way to help. Whether selling raffles at our Golf Outings, checking-in guests at our Winter Ball, or serving as a referee at our Cornhole Tournaments, volunteers are vital to the success of our events.
